### The Woods Heritage School, Jhansi — Secondary

April 2015 - February 2017

- Secured 85% Score in Board Exams

## PROJECTS/Experience

### iNotebook — MERN Stack Application

It is a note-taking website with a user authentication system. It allows users to SignUp, log in and access notes from the MongoDB database. Created this project while following React Course from Youtube.

### NewsMonkey - React Application

It is a news application that fetches data from News API. It is based on react and has category-wise news functionality with an infinite loading feature. Created this project while following React Course from Youtube.

### TextUtils - React Application

It is a text analyzer with few basic functions like Convert text to Upper Case, Lower Case, Remove extra spaces, Number of words and Dark Mode. Created this project while following React Course from Youtube.

### College Website - HTML, CSS, JS

It was a college project which I built in a record time of 2 hours. It is a basic layout of a college website with a dark mode function created using HTML, CSS, JS.

### Other Mini Projects -

- Web Crawler
- Hacker Rank Java Script Project
